

Minutes from September 2009 Pack 232 Committee meeting

Pack 232 committee convened at 7:10 p.m. on September 1, 2009 and adjourned at 7:55pm. In attendance were James Contakos, Sandra McDonnell, Cara Boldt, Kevin Atkins, and Jason Williams.

1) Old Business

a) **Yard Sale.** Grossed \$1050.00. There are some outstanding expenses to be reimbursed (newspaper ad and coffee) but net proceeds should be close to \$1000.00.

b) **Service Projects.** Kevin Atkins will look into Stop Hunger Now at Apex United Methodist Church, September 18. Other options were Scouting for Food. (*Action item: check with Tom Perkins that he is available for Veterans Day activity at Woodland Terrace.*)

c) **Assistant Cubmaster.** James Contakos spoke to Jason Williams about this. Jason will get back to James.

2) Upcoming Events

a) Round Up

This will be on September 10th & 15th here at the church. Suggestion was made to put a sign up at intersection of Dry and Harrison.

b) Raingutter Regatta

Sandra McDonnell has everything done except food. Jason Williams is going to see if he can get a grill and find out about the rocket launcher. (*Action item for Jason.*)

c) Meeting

We will have our meeting by welcoming and explaining what Pack 232 is about. This will be about 20 minutes then the boys will go to their dens for 30 minutes. Parents are asked to stay in the fellowship hall while Ann and Sandra inform them of upcoming events, projects, and needing volunteer to help our Pack.

James suggested that one den perform a skit or a song at our monthly meetings, beginning with the Webelos II for the October meeting. We will rotate to the Webelos I, etc., and rotate each month.

d) Popcorn

Ann Lockhart is still looking for a popcorn kernel for next year to shadow her. Talked about placing the popcorn flier on our website with an email address to place these orders. Another idea was to get the boys out handing out fliers in the neighborhood on Saturday 19th. These fliers would have information on where the pack will be for store fronts, when we will be at the church with a booth, we will also give them a number to call and place an order for popcorn.

Looking forward to Popcorn Queen on Monday September 21st, she will explain to them how to sell popcorn and what they could win for selling. Popcorn sales will start on Saturday September 26.

e) Campout

Campout will be on October 9-11 at Falls Lake, Rolling Hills group campsites. We are going to try to allow the boys do all the cooking. Activities need to be set up to keep the boys active and together. Jason Williams will get an email out soon.

f) Cub-O-Ree

We need to send out an email and find out how many are interested. This will take place October 24.

g) Unit Kernel Popcorn Training Meeting

Will be on September 8th at First Baptist Church Cary.

3) Miscellaneous. T-shirts (Class B). Need to put out order form at pack meeting and re-order (low on certain sizes.)
